

# Navy College Office Naval Air Station, Oceana 2001-2002 DANTES Test Schedule

**LOCATION:** NAS Oceana, Navy College Office, Bldg. 531, Rm. N102

**PHONE:** 433-3129

**PROCEDURE:** All tests *except* the CLEP General English with Essay and Excelsior College Exam Program with Essay, are stocked and available on scheduled test days. We stock some of the objective ECEP but none of the essay versions. Students who wish to take an ECEP should call the office for availability. The above noted examinations must be ordered through the Navy College by the date indicated on this schedule. Call the Navy College Office at 433-3129 to order special exams. SAT & ACT exams are available monthly according to the following schedule.

**ROUTINE TESTING:** Routine testing includes the CLEP, DSST, ECEP (stocked objective tests only), Practice GED, and GED. There are two sessions available every **Wednesday & Thursday** at 0845 and 1045. Students who wish to take an ECEP *MUST* test during the 0845 session. The ECEP allows up to three hours for testing and cannot be given at the later test session.

**CERTIFICATION EXAMINATIONS:** The Navy College Office can order certification examinations from over 25 professional certification agencies. Many of the exams may be given on demand, while others must be ordered for a specific test date. Check with the Navy College Office for availability or to place an order.

**NOTE:** **Please note that our test schedule is subject to change.** We strongly recommend that you call and confirm the schedule a day or so before you plan to test. We also strongly recommend that all CLEP, DSST and ECEP candidates take the appropriate practice exam. Practice exams are available for pick up at the Navy College Office. Clients with INTERNET access should check (<http://www.voled.doded.mil/>) for on-line access to DSST and ECEP study information. All GED candidates are required to take the GED practice exam, which is available on routine test days.

**REMINDER:** SAT, ACT, and ECEP score reports take 6-8 weeks to process, so **TEST EARLY!!**
